ENVIRONMENTAL CLUB

This is the second year West Salem High School's Environmental Club has been up and running.

Their long-term goal for the year is to help West High School become an Oregon Green School. To do this they are working to improve West's recycling and sustainability practices.

They did a waste audit earlier in the fall and discovered by weight about 80% of the items Titans throw in the trash can actually be recycled!

To solve this problem the Environmental Club has been doing various fundraisers to purchase better recycling bins. These will help students practice proper recycling methods and will make West a much more sustainable school.

The club welcomes new members year round. For interested students, meetings are in Ms. Henderson's classroom D220 at 2:30 p.m. on Fridays.

Donations are greatly appreciated, if you have questions please contact Ms. Henderson at:

2017-18 SBAC ANNUAL NOTICE FOR STATEWIDE TESTS - ALL STUDENTS GRADUATE PREPARED

In 2010, Oregon adopted higher K-12 standards in English Language Arts and Math to ensure all students move from grade to grade with the academic knowledge and skills necessary for success beyond high school. Because we raised the bar for what we expect students to know and be able to do, we have also changed the way we measure student progress through our state tests, known as Smarter Balanced.

Each year, students in grades three through eight and grade eleven take state tests in English Language Arts and Math. Students in grades five, eight and high school also take a state science test.

Description of Rights

House Bill 2655 permits parents and adult students to annually opt-out of Oregon's statewide summative tests in English Language Arts and Math by submitting an annual form to the school the student attends. Schools will provide parents with the annual form for 2017-18 at least 30 days prior to the start of testing.
